ABOUT ME

A motivated Computer Science graduate seeking an opportunity in a reputable organization where I can utilize my skills in Flutter, Firebase, frontend development, and software project management. My goal is to contribute to practical digital solutions, improve my technical expertise, and apply my academic knowledge and final year project experience to solve real-world problems effectively.

EDUCATION & TRAINING

Bachelor of science in computer science

Hazrara University [10 Sep 2022 - 10 Jul 2026]

City: Mansehra | **Country:** Pakistan

Website: <https://lms.hu.edu.pk> | **Field(s) of study:** Information and Communication Technologies: | **Final grade:** cgpa 3.57/4.0 | **Number of credits:** 132 | **Thesis:** Ranking App for mansehra schools

WORK EXPERIENCE

Pakistan, Mansehra

flutter developer

[21 Jul 2025 - 21 Dec 2025]

Developed responsive Flutter application screens.

Integrated Firebase Authentication and Cloud Firestore.

Implemented CRUD operations

Used GetX / provider for state management and bug fixing.

PROJECTS

[1 Feb 2026 - 1 May 2026]

Smart school management and Public Ranking system (FYP) Smart School Management and Public Ranking System is a Flutter and Firebase-based mobile application that digitalizes school management by handling students, teachers, attendance, results, fees, timetables, and communication. The system also provides a public school ranking feature based on academic performance, faculty qualifications, and attendance to promote transparency and quality in education.
